This is a new initiative which welcomes collaborators (local-global) to develop the world's largest peace garden in memory of a GREAT sister in our Global Family: Mrs. Coretta Scott King (1927-2006). John Scatena, proprietor of Cafe 290, says... "Join us for a memorable evening of music as we all celebrate the globally-respected peace legacy of Mrs. King. I am honored to be "launch-point" co-founder of this new DREAM to develop a huge peace garden in her memory and I know you will find much purpose in joining us too. As many know, in her early life Coretta was an accomplished singer and she often incorporated music into her civil rights work. When the music starts, the magic begins!"

**EVENING'S PERFORMER: Elliot Holden, a.k.a. "The Urban Guitar Legend!"**

Elliot is a guitar phenom and one of the hottest new talents to emerge on the scene ([www.ElliotHolden.com](http://www.ElliotHolden.com)). Attendees are in for a genuine treat. Elliot's music is often referred to as Cinematic Urban. He especially enjoys opportunities to celebrate Jimi Hendrix, his biggest inspiration. Elliot says... "To honor Coretta Scott King's legacy is an opportunity we all need to take. Join us on Wednesday evening Jan 27th. I especially want to remind everyone of how Jimi Hendrix added to Atlanta's widely-respected peace legacy. FACT: Jimi was a lead-performer for the 1969 AND 1970 Atlanta International Pop Festivals which respectively delivered 150,000+ and 300,000+ attendees! Jimi, like Coretta, is a dynamic sibling in our Global Family and he is known worldwide for his inspiring peace quote:

**"When the power of LOVE overcomes the love of power, the world will know peace!"**

**ABOUT "CORETTA'S GLOBAL PEACE GARDEN" (CGPG) INITIATIVE:**

The CGPG initiative is seeking collaborative civic, government and business leaders (local-global) to plan and plant "The World's Largest Peace Garden" so the globally-respected peace legacy of Coretta Scott King may be celebrated for generations to come. John R. Naugle CGPG-Founder, states: "We intend to invite the country of FRANCE to design a huge sculpture in the likeness of Coretta, our global family's GREAT sister, and encourage them to donate it for the entrance of the 300+ acre peace garden. France suffered 2 terrorist attacks in 2015 and we know they admire the global nonviolent legacy of the King Family. Year 2016 is the 131st Anniversary of 'Statue of Liberty' and we feel that FRANCE would be honored to help the world celebrate Atlanta's global peace legacy with a huge "Statue of Coretta."

The CGPG initiative is a project with Atlanta: City of Peace Inc. (ACP). This organization is welcoming collaboration with many foundations and corporations (local-global) so that it may eventually succeed in its ultimate goal of having Atlanta transformed and formalized into a global capital of peace. ACP believes that a huge windfall of economic and social reward will flow to Atlanta as it learns to better advantage **"Tourism: The World's Biggest Peace Industry!"**

Coretta Scott King stated:

**"There is a spirit, a need, and a servant at the beginning of every great human advance.  
Every one of these must be right for that particular moment of history, or nothing happens."**
